

Creating lifelong bowlers starts with YOU(th)

SAY YES to making a difference!

The New York State USBC Youth Education Services (YES) Fund initiative is dedicated to the advancement of youth bowling.

Your support is critical to the future of the sport and your dollars will be hard at work meeting the needs of today's youth bowlers.

With your support, youth bowlers across the State of New York will have access to opportunities including: learning to bowl in physical education classes, scholarships, instruction by qualified coaches, and continued advancement through high school bowling.

SAY YES to the advancement of youth bowling.
Donate today.

YES! I would like to help the future of bowling with a gift to the New York State USBC YES Fund!
